REAL OPERATIONAL IMPACT

BASED ON MULTI-SITE OPERATIONS

~50+ operational reports per
day (across inspections, checks,
audits, and daily reporting)

Manual reporting creates hidden inefficiencies every day

MANUAL

~20 minutes
per report

with COMM360

~4 minutes
per report

UP TO 80-85% REDUCTION IN
REPORTING TIME PER TASK

NO ADDITIONAL HEADCOUNT REQUIRED

Operational inefficiencies
already exist within your
current manpower

- ✓ Manual reporting
- ✓ Duplicate effort
- ✓ Delayed data

These inefficiencies are
already absorbed into daily
operations and payroll
